# Remember... Moses

The Remember... Moses prophetic conference was held successfully by the grace of God during April 25-27, 2018. About 700 believers from more than 20 nations participated at the conference.

The conference was a milestone of sorts for all the believers who participated. We present here a few testimonies from some of the participants:

The messages shared at the Remember...Moses conference were timely words for me as I had an encounter with Moses for the first time last week and there is much I still don't understand.

— Michelle Castallon, New Orleans, USA

On the last day of the Remember...Moses conference, when Dr Steven Francis was praying he said that he saw a vision of a sword in the left hand and the sword moves to the right hand as well. He then started praying and said that this is the dual anointing of Elijah and Moses. As he was saying this my two hands started to suddenly heat up and it felt numb. He then shouted and said that he is releasing this dual anointing of Elijah and Moses. The moment he said that I felt a powerful force penetrate my chest. The force was so strong that I flew off my chair and landed on the floor. I was laying on the floor for quite some time and I could feel fire flowing through my body.

As I laid on the floor I started to see an open vision. In the vision I was in a wilderness and suddenly Bro Sadhu appeared before me. He walked towards something that looked like a tomb or cave, where a huge stone covered its mouth. He rolled away the stone and there were people in the cave. He said that God had hidden these people away in the wilderness so that he could prepare them for the last world revival and that these people are coming out of the wilderness soon.

— Emmanuel Pillay, Durban, South Africa

On the final day of the conference when Bro Sadhu led us to make covenant with God, for the first time in my entire life I felt like I was having clarity of what I am to God, and the purpose of my life.

— Ananya, Bangalore, India

I watched the Remember...Moses conference where Bro Sadhu personally laid hands on the delegates. I went on my knees and as I was praying, Bro Sadhu, the saints Moses and Elijah appeared in my room. Bro Sadhu laid his hands on me and the saints said that I was restored.

— Febe Nghinongwa, Namibia, Africa

I have had many dreams and visions from the Lord Jesus Christ. One significant dream was I made a covenant with the Lord in my sleep. I had no idea what that was that. That dream was on 13th April 2018 and I kept seeking the Lord to reveal its meaning.

On 27 April 2018, I saw Bro Sadhu and the participants make a Covenant with the Lord. I instantly knew that was the covenant that Jesus wanted me to see. I took part in that holy session and went through it. I felt an electromagnetic wave or charges flow through my body and my hands felt heavy and I was filled with some form of divine blessing in my heart and forehead. Even when Bro Sadhu personally laid hands on the participants' foreheads, I felt I was pushed backwards. I thought it was so strange happening in my room.

I would have not known that Bro Sadhu existed if not for Lord Jesus who revealed to me. After the visitation from the Lord Jesus Christ I saw a vision of Brother Sadhu like he was on Angel TV. I thanked Brother Sadhu for opening the session that many saw it worldwide and I am eternally grateful for all the blessings that was showered to me.

— Annie Soh, Kuala Lumpur, Malaysia

The Lord God has now asked me to do the second phase of this Remember...Moses conference during Rosh Hashanah 2018. If you had missed this cutting-edge prophetic conference last April, I invite all of you – new and matured believers – to this second conference.

During our recently held prophetic conference the Lord had me lay hands on 650 delegates from 35 nations to receive the spirit and power of the saints Moses and Elijah. The Two Witnesses – the two lampstands that stand before the God of the whole earth (Zech 4:14) – are going to appear in the world very soon. And the time is soon upon us to witness the earth-shaking power-filled ministry of the end-times Two Witnesses.

Come to learn and be taught what this end-times anointing is all about. Participate to receive this end-times anointing that God has reserved for the last days' prophetic generation who will have to contend with the last days' evil powers with signs and wonders like how Moses contended with Pharaoh.

This conference is for all believers called to be end-times warriors, prophets, intercessors prophetic people and prophetic churches.

Hands will be laid on for prophetic impartation of these end-times anointing for conference registrants only.

Come to experience powerful visitations and encounters with God!  
Don't wait. Seating is limited. Register right now!

Your Loving Host
